Section A – Coverage Information

Application Type (select one):

☐ New Coverage ☐ Change policy coverage Policy No._____ ☐ Add dependent(s) to current coverage Policy No._____

Open Enrollment
Once a year, Open Enrollment takes place for a set period. During the Open Enrollment period, you can apply for coverage, add members or change plans. The earliest Effective Date for the annual Open Enrollment period is the first day of the following Calendar Year. The actual Effective Date is determined by the date we receive your complete application and premium payment.

We can accept applications ONLY during the Open Enrollment period UNLESS you have an event, that we call a "Qualifying Event" that gives you a Special Enrollment right.

To enroll outside of the Open Enrollment Period, you must have one of the following Qualifying Events and tell us about it within 60 days before or after the event:

Qualifying Events

Please check your qualifying event:

☐ You or your spouse or dependent involuntarily lost Minimum Essential Coverage (including COBRA or State continuation coverage);
☐ You or your spouse or dependent are newly eligible for advance payments of the premium tax credit because the coverage you were enrolled is no longer employer-sponsored minimum essential coverage;
☐ You or your spouse or dependent lost eligibility for Medicaid coverage that cover primary or specialty care.

To enroll outside of the Open Enrollment Period, you must have one of the following Qualifying Events and tell us about it within 60 days after the event:

☐ You gained a dependent or became a dependent through marriage, birth, adoption or placement for adoption or foster care, however foster children are not eligible for coverage;
☐ You, your spouse or child moved and became eligible for new health plans;
☐ You, your spouse or child are newly eligible or newly ineligible for advance payments of the premium tax credit or had a change in eligibility for cost-sharing reductions on the NYS of Health Market Place (Exchange);
☐ You, your spouse's or child's enrollment or non-enrollment in another health plan was not intended or was an error caused by the error, misrepresentation, or inaction of another health plan or the Exchange;
☐ You, your spouse or child demonstrate another health plan in which you were enrolled substantially violated a material provision of its contract.

Date of the Qualifying Event: _____

If you are applying due to a Qualifying Event and your application is approved, your effective date is as follows:

- In the case of birth, adoption or placement for adoption, coverage is effective on the date of birth, adoption, or Placement for adoption if we receive notice within 60 days of the event. Otherwise coverage begins on the date on which we receive notice. If you have individual or individual and spouse coverage, you must also notify us that you want to switch to parent and child/children or family coverage and pay any additional premium within 60 days of the event for coverage to start at the moment of birth; or
- In the case of marriage, loss of Minimum Essential Coverage, or becoming newly eligible for advance payments of the premium tax credit because your coverage is no longer employer-sponsored minimum essential coverage, coverage is effective on the first day of the month following the date of the qualifying event.
- In other cases, coverage effective date depends on when we receive your selection. If we receive it between the first and the 15th day of the month it will begin on the first day of the following month as long as you pay your premium. If we receive it between the 16th and last day of the month it will begin on the first day of the second month as long as you pay your premium.
